A little bit about me

I have lived in the area since 2008, and work as Head of Governance at the Royal College of Paediatrics and Child Health in London. In that role, I am especially focussed on ensuring that trustees have the right information to ensure the organisation is running well - experience is very relevant to my work as a governor! I hold a BA in Mathematics & Philosophy from Oxford University and an MSc in Voluntary Sector Management from the Cass Business School.
