

Name

Julia Worth

Became a governor

January 2016

Type of governor

Community Governor

Sub Committee role

Member of Finance and Resources

A little bit about me

I have lived in the Watford area for nearly 40 years and am now retired having taught Mathematics, locally, at secondary level.

I am passionate about the value of education and in teaching our children to live fulfilled and fulfilling lives and it is my firm intention to do what I possibly can to support the other Governors, the staff, pupils and their parents towards this aim.

I was, until quite recently when lack of funding caused us to close, Treasurer of and therefore a Trustee of a branch of a National charity supporting vulnerable Mums. I believe that my experience of Governance in that role will be helpful in supporting my role as a Governor of Leavesden Green and I am looking forward, immensely, to the challenge and opportunity.

I am delighted that I am to take on the role of link governor for Early Years because I truly believe that the earlier we can lay solid foundations for the future the better that future will be.
