A little bit about me

I have just completed my first year as a member of the Governing body having joined in October 2013.

I have been a resident of Leavesden since 2006, having previously lived in Birmingham, Swindon, Nottingham and Stafford. I am married with two sons and a daughter. My eldest son has started in reception this September and I will have at least one child at Leavesden Green for the next 10 years!

I have spent my career in retail management in the buying teams of W H Smith, Halfords, Comet and Carphone warehouse. I am very much looking forward to joining such a strong governing body and to doing all I can to support Leavesden Green School.
