I have two small boys; as yet too young for school, but hopefully future pupils of Leavesden Green and we have attended the attached Children's Centre. We live locally on the Huntonbury Estate.

I qualified as a Chartered Accountant with Arthur Andersen. For 14 years I worked for electrical retailer Comet in Finance, Regional Store Management, HR and Central Operations.

A little bit about me

Since 2006 I have been a Trustee of a Pension scheme. I am now a part time self employed consultant working in Retail, Reward and Productivity balanced with looking after my boys.

I am keen to use my skills, knowledge and experience to support the school for the benefit of all our children. I would like to engage as many other parents as possible to help support the journey for our children to realise their potential and live happy and fulfilling lives.
