11 September 2017

Dear Y3 Parents/Carers

SWIMMING – Autumn term

Swimming lessons for Year 3 begin on **Friday 15 September 2017** and finish on **Friday 8 December 2017**.

We have kept the cost to an absolute minimum of £4.25 per child, per week. £4.25 per week from every child goes towards covering the cost of instructors, coach travel and insurance. The number of swimming instructors involved enables the children to progress as far as they can, collecting awards and certificates along the way.

I am sure that you must agree that £4.25 per week is extremely good value but if any parent has difficulty in contributing this amount please make an appointment to see Mrs Lyon early in the term when you can try to come to some arrangement. Payment must be made via WisePay which can be paid either weekly at **£4.25**, half termly at **£25.50** for the first half term, **£25.50** for the second half term or **£51** for the whole term. Last year school funds had to be used to cover swimming contributions that were not met by parents. This took the funds away from other areas of the curriculum.

As swimming is part of the National Curriculum, just like Maths and English, all children are expected to attend every session unless, of course, there are medical reasons for a child not attending. In this case the medical certificate issued by your doctor should be sent into school immediately.

Please make sure that the appropriate kit is provided; boys should be wearing trunks, not shorts. All children must wear a swim hat. Should you wish for your child to wear goggles then a disclaimer form must be completed before lessons begin, please request a letter from the office.

Thank you for your support and co-operation.

Yours sincerely

M Lucas
