Dear Parents/Carers

Y5 Sex Education

During Year 5, children are taught about sex education for the first time at Leavesden Green School. This year we have decided that this will take place in the Autumn Term. We appreciate the sensitivity of this subject and therefore invite parents to see the DVD material we will be showing the class in advance. This will also be an opportunity for parents to ask any questions they may have about sex education at Leavesden Green School.

Please come along to the session after school in the Year 5 classroom with Mrs Hamilton and myself at 3.20pm on Thursday 19 October. Please contact Mrs Hamilton (esther@leavesden.education) or Mrs Dalton (max@leavesden.education) if you would like to discuss anything.

Yours sincerely

M Dalton
