#### Lego

Jake, Husayn, Jamie and Alyssa

### Remembrance

In assembly (Y1-Y6), we talked about **Corey Mapp** - his loss and his achievements. Ask your child to talk to you about his accomplishments and why he is an inspiration and someone we can 'remember'. What else and who else will you reflect upon this Remembrance Day?

### Maths Fluency

Every class has been learning through 'Maths Fluency' sessions in maths. Ask your child about these sessions:

**What do you do in a Maths Fluency' session? Why is 'Maths Fluency' different?**

**Do you enjoy 'Maths Fluency' sessions?**

We would love to hear some feedback from you so please do email any comments from your children to our Maths Leader at [esther@leavesden.education](mailto:esther@leavesden.education)

We would like to provide an opportunity for parents to see 'Maths Fluency' sessions in action. Firstly, we are filming one of our brave teachers (*Thank you, Miss Dolling*) and will be posting this film on our website for parents to view (we will email all parents when this is available to watch). In addition, we will be organising an open week of 'Maths Fluency' sessions running every day from 9 - 9.10am. Parents/Grandparents can sign up to come and sit in on a session of 'Maths Fluency' for their child/children. This will run during the week commencing Monday 4th December - further details will follow soon.

Octopus Class learning about Flight

Lego Class - Home Learning

Can you guess which book character Explorers Class have been thinking about?

Otter Class

## Bringing Stories to Life with Neil Griffiths

Thursday 16th November 9-10am or 2-3pm (*book via parents evening system*)

**There is now a crèche facility for the afternoon session.**
